SCHEDULING REQUESTS

Age 4, 5, 6, Gr1, Gr2, Gr3 Gr4: JCPRD will do our best, no guarantees, to honor scheduling requests per field and referee availability. Please be sure to list if you are coaching multiple teams. **Also, be aware that Assistant Coaches are expected to coach in the absence of the Head Coach or if Coaches with multiple teams are scheduled at the same time.** (We do our best not to have this happen but sometimes it is unavoidable). **You cannot request not to play on Sundays or a specific time each week.** Any re-scheduling request must be requested 10 days prior to the originally scheduled date of the game or the game will not be re-scheduled. You will be required to play the game or forfeit.

U11 – U14 Teams Only: JCPRD/SSC will accommodate up to four scheduling conflict requests. Please use these requests judiciously. After initial scheduling, re-scheduling (other than for rainouts) most likely will not be possible due to field and referee availability. Please list if you coach another team and what age group it is in. **Also, be aware that Assistant Coach(es) are expected to coach in the absence of the Head Coach. You may not request the rainout weekend as one of your conflicts.**

Four scheduling conflict requests means four specific dates, or a certain time on a specific date or dates on/at which your team will be unable to play. It does not mean, for example, requesting not to play on any Sunday, or at certain times every week, etc. Coaches, you will be allowed as many re-scheduling requests as you like at no charge. **However, any re-scheduling request must be completed 10 days prior to the originally scheduled date of the game or the game will not be re-scheduled. You will be required to play the game or forfeit.**
