Players may 'play up' one age group, pending approval. If a team has players spanning a combination of age brackets, that team will play in the higher of the age groups. If a team plans on staying together from year to year it is beneficial to form a roster with players observing age brackets from an early age.

U11 to U14 (Grades 5-8) JCPRD teams play in co-op with Shawnee Soccer Club and are sanctioned through USSSA. Birth dates determine age brackets which are set by USSSA.
