Attached you will find several documents, including the **Spring Soccer 2010 Registration Form**. Please distribute the registration form to your players and **turn in the completed forms with payment by January 29**. This will ensure that your team stays together. *Only the players registrations received with payments will be placed on your team.*

IMPORTANT! Players registered with a competitive team in any organization is not allowed to roster on a recreational team. Therefore, no player registered/rostered on any competitive team will be permitted to compete on a JCPRD recreational team.

A player can play on two recreational teams and will need to fill out registration forms for each team and submit with payment. We cannot guarantee that the games will not be played at the same time. Therefore, in case of a conflict, Player will need to make a choice for which team they are playing with for that game.

Coaches will be able to pick up their Coach packets on Saturday, March 6, 2010 from 9:00 to noon at Antioch Park, Bldg A, 6501 Antioch Rd, SM KS 66202. As previously, your coaches packets will be distributed at the meeting, and will include your season schedule, team roster, practice permit, picture day information, Dick's coupons. Please plan to attend or send your team manager, assistant coach or other team representative. **NEW COACHES must attend a short meeting at 10 am on this day at Antioch Park, Bldg A.**

If you are not planning on coaching in the Spring or if your team will be taken over by another coach, we ask that you notify Chris Kurtz at chris.kurtz@jocogov.org as we do receive questions from players regarding their teams and coaches . If you have any questions, please contact me. We look forward to working with you again during our Spring 2010 season.
