

# SHAWNEE MISSION PARK BEACH HOUSE

7900 Renner Road, Shawnee, KS, 66219

The previous Shawnee Mission Park Beach House was demolished in September 2016 due to age and structural concerns. It is anticipated the new structure will be complete in time for the 2018 summer season.

Plans for the beachhouse were completed by International Architects Aielier of Kansas City, Mo. RF Benchmark Construction of Manhattan, Kan., is the contractor for this project. Estimated project cost is \$925,000.

## Beach House Amenities

- 1,344 square feet of space including restrooms, concessions, check-in area, and office space
- A wave-like roof design that measures 106 by 50 feet
- A “rich blue” glazed block exterior
- An outdoor shower with feet and body sprayers surrounded by a low retaining wall
- Stairs and an ADA compliant walkway down to the beach
