

MEMORIAL TREES

Memorial trees can be planted at any of the beautiful parks located within the District. The tree will be planted and maintained by the District's Park Division staff. A memorial contribution of \$150 by cash or check made out to Johnson County Park and Recreation District needs to accompany a letter requesting the memorial.

Trees may also be planted at our Tomahawk Hills Golf Course or Heritage Park Golf Course. This was established to serve as a means for the public to recognize former golfing friends or partners who have passed away. Contributions to the golf course memorials also assist in the improvement of our golf courses. A request letter must be submitted to the Johnson County Park and Recreation Superintendent of Parks and Golf Courses with the proposed location of the memorial.

MEMORIAL NAMEPLATES

A nameplate for the Memorial Plaque posted within Antioch Park, Heritage Park, Shawnee Mission Park or Kill Creek Park can be purchased for

an additional charge of \$120. Nameplates may also be purchased separately, without purchase of a tree.

MEMORIAL ROSE BUSHES

Rose bushes may be donated to the Helen S. Cuddy Memorial Rose Garden. Donor must submit a letter along with a check made out to The Parks and Recreation Foundation of Johnson County. A memorial contribution of \$30 is requested. We ask that the name and address of the donor and the full name of the person the rose bush is in memory of be included. The donor may specify the color, however, the District will purchase and plant a rose bush of choice.

MEMORIAL BENCHES

Donor's must submit a letter to the Johnson County Park and Recreation District Superintendent of Parks and Golf Courses requesting a Memorial Bench. The benches will have black powder coated steel frames. Two types of benches are available to be purchased and will include installation.

The first option is the Contour Bench, a 6 ft. bench with 4 x 4 recycled timbers. The cost of the **Contour Bench is \$480.**

The second choice is the Trailside Bench, a 6 ft. bench with 2 x 4 plastic timbers. The cost of the **Trailside Bench is \$390.**

The bench will be surface-mounted with anchor bolts on a 4' x 6' concrete slab. These two benches have been chosen for their durability, ease of maintenance, and uniformity throughout the District.

An engraved brass plaque with the memorial person's name can be installed for an additional \$120. The plaque will be mounted into a recessed pocket, routed into a recycled plastic slat on the bench.

District staff maintains memorial benches on a similar interval as on standard park benches. The District will replace broken or vandalized name plaques free of charge.

The Superintendent of Parks and Golf Courses, Landscape Architect, Facility Manager, and Donor will determine bench location. A letter acknowledging the donation will be sent to the Donor with a copy retained by the District.
