Assumption of Risk

To all those entering the off-leash designated boundaries, you are aware dogs are un-leashed and loose. Despite the best efforts of any dog owner/handler, a dog may act in an unpredictable manner. Dog owners/handlers are entirely responsible for their dog's actions and accept the risk of allowing their dog(s) to interact with people, other dogs, existing park and lake conditions, and District employees and vehicles in the performance of their duties. Owners are legally responsible for any injury caused by their dog(s).
