The 2009 Demmi Award Winners

Winners of the 8th Annual Demmi Awards were announced at the Celebration of Stars banquet. Honoring the best productions and performances from the 2008 season, the Demmi Awards are named for Demmaree Carns, former longtime producer at The Theatre in the Park.

Nominations are made by the directors from each production. Award winners are selected by secret ballot by a committee whose representatives are required to see all five shows and who have no family member or relation in any of the productions.
