OUTDOOR DISCOVERY CAMP

Parents,

This is the updated Outdoor Discovery Camp Schedule. We have made changes to best utilize our parks and offer the highest quality summer recreational and educational opportunities for the campers.

To ensure a safe outdoor experience, please make sure your camper has a **refillable water bottle EVERY DAY.** We are still having children arrive without a water bottle or water.

We also request that every child bring a **quiet time activity** in their backpack for free times and travel time on the bus. Please refer to suggested camp supply list for more information or ask your counselor or Director for suggestions.

Thank you for the your cooperation in helping us provide a great summer camp for the campers. Please contact me if you have additional questions.
