

JOHNSON COUNTY
PARK & RECREATION
DISTRICT

Dear Parents:

Please read the policy statement, supply list, and check list information carefully and completely. By doing so, you can begin summer camp feeling fully informed. As you read through the papers, take time to jot down any questions you may have, and contact us **now** to receive clarification on those items. This will allow directors and their support staff to devote full attention to getting to know the children and establishing a daily routine as summer camp gets underway.

Complete and return all camp forms, ***a minimum of two weeks before camp begins***. Also, it is beneficial to keep a copy of the forms for yourself just in case they are not received in the mail. Retain all remaining information for future reference throughout the camp season.

Return forms via:

Mail to: JCPRD Outdoor Camps, 6501 Antioch Rd. Merriam KS 66202

Fax: Attn: Outdoor Camps; 913-831-3311

Email: Subject: Forms for Outdoor Camps; info@jcprd.com

Parent Orientation for the camp will be held on Wednesday evening, May 26 at 7:00 p.m. at the shelter house of each camp location. We strongly encourage that every parent attend this meeting. Camp policies, staff introductions, programming activities and individual questions will be outlined at this time.

Each week, you will receive newsletters and calendar, periodic special information notes, and dry erase bulletins. Read everything that comes home from the camp, to avoid missing important information or any schedule changes.

Keep directors informed of any changes to the original forms you submit. Our ability to respond appropriately to emergency situations partially rests on the accuracy of your youths records.

Additionally, we want to remind all campers and their families that daily lunches are supplied from home and should come in reusable containers. Disposable bags and/or wrappers are not environmentally friendly and are therefore highly discouraged.

We'll look forward to seeing both new and familiar friends this summer.

Sincerely,

Marisa Holloway,
Outdoor Camp Specialist
