POLICY STATEMENT

****Please note any violation of camp policies can lead to termination of care.**

MISSION STATEMENT:

Developing health and happiness in our community's children through safe, diverse, and character building experiences.

PHILOSOPHY STATEMENT:

- Creating an environment that assures all children feel safe, secure, and nurtured.
- Building an atmosphere that helps children feel confident, valued, and accepted as individuals.
- Challenging students to cooperate, accept responsibility, embrace diversity, and enhance character skills.
- Fostering relationships that promote open communication between children, parents, and service to the community.
- Introducing children to enriching activities that stimulate creativity, critical thinking, and exploration.
- Encouraging an appreciation of nature and responsible stewardship through outdoor exploration.
- Promoting healthy lifestyles through age-appropriate learning experiences and recreational activities that support the social, emotional, and physical development of our children.

1. PROGRAM ADMINISTRATION

The camp programs are located in public city and county parks and are operated by the Johnson County Park & Recreation District. The space is leased to our agency with the expectation that our program function independently in both policy and procedure. We are guests of the park and seek to be compatible and unobtrusive to all other park patrons.

2. EQUAL OPPORTUNITY

Johnson County Park and Recreation District does not discriminate on the basis of race, color, national origin, sex, religion, age, ancestry, and/or handicapped status in the provision of service or employment.

3. REQUIRED FORMS

Kansas State law requires all children to have a personal data sheet, health history, and authorization for emergency medical care on file at the camp **before** attendance is permitted. **Kansas Department of Health & Environment is stringently enforcing this regulation.** Camps can be fined, and even closed, for non-compliance. Therefore, all forms must be submitted to our office two weeks prior to the first day of attendance. Children with incomplete records **cannot** attend the program.

4. REGISTRATION REQUIREMENTS

Children attending camp must be pre-registered in advance of attendance, by submitting the required forms and having made full payment for all weeks registered.

5. TERMS OF CARE

Campers must be pre-registered and full payment made. Children must fully comply with the Code of Conduct to continue enrollment. Non-compliance will result in immediate termination of care. **ALL FEES ARE NONREFUNDABLE with the exception of federal and state subsidies with proper termination notice.**

6. FEE PAYMENT

All weeks registered must be paid at the time of registration. Payment deadlines and associated penalties are a necessity for our registration department in the timely posting and deposit of payments from the 2,000+ enrollments of our summer camp programs. JCPRD does accept assistance programs such as Department of Children and Family Services. For information on how to enroll using an assistance program please call 913-826-3014.

ALL FEES ARE NONREFUNDABLE with the exception of federal and state subsidies with proper termination notice.

For Transfers:

- A written request must be received two weeks in advance of the camp week
- Each request must state the reason for the withdrawal.
- These may be emailed to registration@jocogov.org. No phone requests.
- Each transferred enrollment is subject to a \$15 processing fee.

COVID-19 Summer Camp Addendum:

Mandatory Quarantine: Fees will be prorated if child is diagnosed with Covid-19 or is required to quarantine.

Facility Closure: Fees will be prorated/refunded if program/camp is closed due to illness, state or local mandates.

**COVID-19 related illness/symptoms may require longer exclusion times and can change throughout the summer.

7. CHILD RELEASE

All individuals authorized to pick up children must be listed in advance on the personal data sheet. Until all authorized parties are known to the staff, photo identification will be required at the time of pick up. State law prohibits the release of children to parents and other authorized adults who appear to be impaired by drugs or alcohol. Any existing court orders barring parent contact, visitation, and child release must be on file at the camp to support law enforcement interventions. Children attending the camp cannot be released to walk home unsupervised.

8. AFTER HOUR CARE CHARGES

A charge of \$1.00 per minute past the 5:30 p.m. closure will be assessed to parents for after hour care. We realize that under some circumstances lateness cannot be avoided, and require parents to call us should such a situation occur. Regardless of the cause of after hour care, charges are due the following business day to our registration office by 4 pm via walk-in or by phone to 913-831-3359.

9. DISCIPLINE POLICY

Discipline procedures shall be of a positive nature and shall not include any form of corporal punishment, verbal abuse, physical restraint, confinement, threats, humiliation, forcing/withholding of food or fear tactics. Parents will be notified of any inappropriate behavior and will be advised of steps taken toward improvement. All children enrolled must observe the Participant Code of Conduct while attending the program.

10. STAFF-PARTICIPANT RATIO

Participants must be able to function independently, and in accordance with the code of conduct, within a 1:15 staff to participant supervision ratio, as outlined by KDHE.

11. PARTICIPANT CODE OF CONDUCT

Participation in the program is a privilege not a right. The ability of each participant to consistently practice positive life skills is essential to on-going enrollment. The following set of non-negotiable standards for participation is designed to allow participants to self regulate behavior. These are reasonable expectations for any child participating in a group care setting. The actions of each individual influence the quality of participation for the entire group. Our goal is to facilitate successful participation for each child through the joint understanding, support, and practice of these positive life skills.

- Respect the right of others to courtesy and personal space.
- Manage anger in appropriate ways.
- Respect and respond to adult authority.
- Accept differences among the group.
- Accept responsibility for own actions.

Discriminatory statements or behavior that are based on race, religion, disability, sex or gender will not be tolerated and will result in disciplinary action, including suspension and/or termination from the program.

12. DISCIPLINE PRACTICES

Discipline for inappropriate behavior will focus on consequences, rather than punishment, to help children self manage their behavior in the future. Counselors assist children in self-management through reminders, redirection, and discussions about consequences. When children consciously make a choice to ignore expectations, consequences in line with the behavior will follow. Interventions and

consequences focus on as little counselor intervention as possible. This allows children to be internally motivated in developing appropriate behaviors. Typical behavior interventions are as follows:

- Often closer counselor proximity and eye contact are all children need to self correct.
- On other occasions a reminder of the rule is effective.
- At times teachers and children discuss the inappropriate behavior and more acceptable alternatives.
- In some situations children are redirected to a solitary activity for a brief period of time.
- More serious behavior issues require a parent/counselor conference to develop an action plan for improvement. Inability to participate within a 1:15 staff to participant ratio, or to meet conduct expectations for any reason, may result in suspension or termination of care.

13. PARENT VISITATION AND INVOLVEMENT

Our camp has an "open door" policy on parent visitation. Parents are also encouraged to become actively involved in the camp by: chaperoning field trips, decorating, planning and/or special events, and/or sharing your personal hobbies, talents and professional skills. Contact the director to express your interest and offer suggestions on program activities.

14. SAFE ENVIRONMENT POLICY

JCPRD strives to maintain a safe, healthy, and secure environment for children and youth under JCPRD's care and supervision. To protect the safety, health, and welfare of youth and staff in the childcare program and school, JCPRD staff may conduct a search and may seize any illegal, unauthorized, or contraband materials or items discovered.

The program will not allow any form of violent play, including the use of toys as weapons, gesturing in an aggressive manner, or depicting violence in drawings or any other expressive form. Possession of weapons, fashioned or real, is prohibited and grounds for immediate expulsion. Statements by anyone that threaten violent action will be regarded as real and result in immediate contact of parents and law enforcement if appropriate.

15. COMMUNITY SERVICE

Student involvement in community service is a core curriculum objective. Service to others helps develop strong leadership and character traits in youth. Parent recognition of their child's efforts in this area will give lasting value to these experiences.

16. COMMUNICABLE DISEASE

Participants shall not be in attendance when suffering from any communicable disease. Guidelines as determined by the Johnson County Health Department will be observed for readmission. The Program Director shall exercise his/her discretion in determining if a child seems well enough to resume normal participation. Parents must report to the Program Director any exposure to communicable diseases. These guidelines can be found at http://www.stagneskc.org/documents/jchd_exclusion.pdf
Refunds will not be issued for absence due to illness.

17. PRESCRIPTION MEDICATIONS

If your child is taking any prescription drugs while in attendance, these medications must be sent to the program director in their original containers and must have RX information affixed. All medications must be sent in daily dosages. Signed permission for administration of these medications must accompany them. Medication cannot be administered without signed parental consent.

Additional shirts may be purchased for \$5 each by contacting the Registration department at 913-831-3359. Camp shirts will be distributed to campers at their program site. Youth and Adult sizes available. Know your child's shirt size prior to registration.

19. SUNSCREEN

Families are asked to contribute one large bottle of sunscreen, SPF 30 or greater, for each participant during the summer. Waterproof, lotion sunscreen is preferred. These bottles are stored securely by the program staff, and used by all participants throughout the summer. Please inform program staff if your camp participant has allergies requiring specific sunscreen. Participants will apply sunscreen regularly throughout each camp day, administered by program staff or under their supervision.

20. ABSENCES/DAILY SIGN IN/SIGN OUT

Parents must telephone the camp each day the participant will be absent from scheduled attendance. Parent/Guardian must sign their children into camp with time of arrival and initials. At child pick up, parents/guardians need to initial and record time of pick up next to

their child's name. Help us attend to this important safety issue by observing this policy. Refunds will not be issued for absences. A photo ID may be requested by staff at any time for the safety of our participants.

During the course of normal participation, accidents can and do happen. Therefore, it is important that parents carry medical insurance for expenses that result from injury. **The District does not carry medical insurance for participants.** Make sure your health insurance policy name and number are recorded on the Authorization for Emergency Medical Care form. In urgent care situations, staff will attempt to contact parents for child pick up and follow up medical treatment. In emergency care situations, children will be transported by ambulance to the nearest hospital. Be sure all of your child's records are up to date to assist us in effectively responding to emergencies.

23. PARENT CONDUCT

Parents must demonstrate civility, self-control, and socially acceptable behavior when interacting with program employees, participants, and their families. Profanity, threats, insults, harassment, suggestive remarks, intimidation, physical crowding, and/or contact will not be tolerated. **Kansas state law prohibits parents from disciplining and/or reprimanding program participants.** Failure to observe appropriate conduct will result in immediate and permanent termination of childcare.

24. MANDATED REPORTERS

JCPRD staff are required by KDHE to immediately report any evidence of suspected child abuse or neglect to DCF or to local law enforcement agencies.

25. FIELD TRIP AND TRANSPORTATION POLICY

Due to staffing ratio needs, all children in attendance on scheduled field trip days will be required to accompany the group on the trip. Children will be transported by leased bus for large group field trips. Trips involving 13 or fewer children will be transported in Johnson County Park & Recreation District vans.

***Due to COVID-19 field trip may be limited or on-site only.*

The program phone will be updated with closure notices, and again when care can be resumed. All closures will be broadcast via Twitter: @JCPRDescapades @JCPRDxroads for Crossroads participants

31. INCLEMENT WEATHER

Severe weather- including extreme heat, lightning, thunderstorms, tornado, and horizontal rain with strong winds- warrants changes in camp activities and location. The children will remain under the shelter or in the bus for their protection and safety until this time. Parents will need to drop their children off at their camp site. Directors will update and confirm time of departure and location of campers on the camp's mobile phone. The bus will leave the camp site at 9:00 am sharp; parents will be instructed to call mobile phones for the camp location if dropping a camper off after 9:00 am.

Afternoon Plan - Camps will return by 4:00 pm on heat days for pick up. For severe weather (heavy lightening, thunderstorms, tornado, and horizontal rain with strong winds) the camp may stay at the rain site. All parents are instructed to call the camp's mobile phone to confirm the location of campers. All directors will update mobile phones and program specialist with the schedule and location of camp.

Communicating Changes- Programs will communicate changes to the schedule, due to weather, through postings at the site, on the camp cell-phone message, and through Twitter. Parents may contact the program cell-phone, as well as follow outdoor camps on Twitter to find changes to the camp and weather plans. @JCPRDescapades @JCPRDxroads
